## Manila & Mindanao, Philippines

God can use **YOU** to change lives in the Philippines!

Faith Academy Philippines is an international Christian school primarily for the children of missionaries serving in Asia. We provide a means for parents to stay on the mission field by providing education for their kids. Since 1957, we have been committed to equipping students to be Christlike, lifelong learners by providing a dynamic, relevant education.

With two schools offering preK-12 education, Faith Academy offers a unique opportunity to those seeking a ministry that will significantly impact the lives of students and their families. Each year we trust God to provide us with the teachers and support staff we need.

Could You be one of them?

- School Leadership
- Bible Teachers
- Fine Arts Teachers
- Band Teachers

- Special Needs Teachers
- Counselors
- Athletic Director/Trainer
